

Prestige Home Insurance

Enhanced cover for higher value homes and luxury lifestyles.

Protection for luxury lifestyles

If you have a high value of home contents and possessions worth more than £100,000 the Islands Insurance Prestige policy is for you.

Designed for people with valuable property, land and possessions, the Buildings and Contents sections of our Prestige policy offers comprehensive cover with a host of benefits as standard, giving you the flexibility and freedom to enjoy life.

A higher level of cover

Contents protects your general contents against loss or damage, worldwide (excluding items kept permanently in holiday homes abroad). This includes laptops and mobile phones (which may also be used for business purposes), fine art, even the statues or patio heaters in your garden and music systems. It also covers your guests' possessions and business equipment at your home.

Tailored made cover from a name you can trust

NFU Mutual

Finding the right level of cover for your home, contents and lifestyle is about more than just ticking boxes on a form. You need to have complete confidence that your insurance provider understands exactly what you need. And you'll want to be sure they have the pedigree, process and people to offer exceptional service – now and for years to come.

A wealth of experience

The policy is underwritten by one of the UK's leading insurance providers, the NFU Mutual who have an impressive track record in looking after people's property. They have been protecting customers' home and possessions for over a century and have over £10 billion of assets under management. Together with local service from Islands Insurance, with offices in Guernsey, Jersey and Alderney, we can offer in-depth local knowledge.

Personal and local service – means you get what you need

A personal touch

At Islands Insurance we pride ourselves on giving customers the highest quality and most personal service possible. Our customers know they can turn to us for help and advice whenever they need it. In fact, many of them know us by name and often stay with us for years.

First class service

Should the worst happen, our claims handling is fast, fair and efficient. If you are unfortunate to have a large claim for loss or damage of more than £10,000 we will not deduct any excess.

A company that rewards loyalty

There when you need us

If you find the right insurance provider, you'll probably want to stay with them for a long time. So, it's important for you to feel that we're in it for the long-term too and we're there when you need us most.

Mutual Bonus

NFU Mutual has 'mutual status' which means our business is run in the interests of customers – not shareholders. This is demonstrated in the form of our Mutual Bonus, which is our way rewarding your loyalty to us when you renew your insurance policies. The amount of Mutual Bonus changes each year in line with the performance of the company, and since its launch in 2000, our loyal customers have benefited from substantial reductions in their renewal premiums. In short, our philosophy is 'if we do well, you do well too'.

A superior level of cover

Cover

The Prestige Buildings and Contents have been specially designed for people who have created a special lifestyle for themselves and their families.

The wide range of cover they provide will give you complete peace of mind that the things you value in life are protected. It also means you needn't worry about taking out separate policies when you buy something new such as a work of art or jewellery.

To make life simple, those expensive items of valuables only need to be specified on your policy if they exceed the £10,000 single article limit.

Easy to set up

Islands Insurance can arrange a policy for you over the phone or face-to-face, whichever you prefer. If you wish, we can even come to see you.

Alternatively, if you'd like the peace of mind of having a professional valuation of your house or contents, we can arrange this for you. And if you agree to insure with us for five years, then part of your fees will be rebated, providing that you insure for the amounts recommended by our valuation service.

DECLARATION

Our Commitment to Mutuality

We are fully committed to the concept of mutuality believing that this is the best way of providing sustainable value for money to our customers.

As a mutual we have no shareholders and do not therefore pay dividends. As a result we have one of the lowest expense ratios in the insurance industry. We are committed to ensuring that the combined benefits of our mutuality and a low expense ratio are passed on to our General Insurance customers via keen prices, wide cover and good service and our Financial Services customers through low charges, quality investment returns and personalised service.

In order that current and future generations of customers continue to enjoy the benefits of mutuality all new policies issued by NFU Mutual contain a windfall assignment clause. Effectively this means that in the unlikely event of demutualisation any windfall payment arising from the policy you are taking out would be paid to NFU Mutual Charitable Trust rather than the policyholder.

In consideration of NFU Mutual accepting my proposal : -

1. I/we undertake and agree with NFU Mutual and the NFU Mutual Charitable Trust ("the Trust") to assign, pay or transfer to the trustees of the Trust all and any rights to which I/we may become entitled at any time by reason or in respect of my/our membership of NFU Mutual by reference to the policy proposed for, on, or in connection with, any transfer of part or all of NFU Mutual's business to any other person, firm or company or any change in the corporate status of NFU Mutual or any distribution out of the funds of NFU Mutual other than
 - a) the declaration of any customary annual, reversionary or terminal bonus attaching to a policy of life, annuity or capital redemption assurance or
 - b) any other benefit which the Board of NFU Mutual determines shall not be subject to my/our agreement to assign, pay or transfer;
2. I/we undertake to execute and deliver any transfer, deed and/or other documents together with any certificates of title or valuable consideration received by me/us as NFU Mutual or the Trust shall require in compliance with my/our undertaking and agreement set out above; and
3. I/we hereby irrevocably severally appoint NFU Mutual and the Trust and any officer of NFU Mutual or the Trust to act as my/our agent to execute on my/our behalf any assignment, transfer form, receipt or other document as may be required in order to effect the above assignment, payment or transfer and I/we hereby authorise and approve each and every act or thing which may be done or effected by NFU Mutual, the Trust or any officer of NFU Mutual or the Trust, as the case may be, in exercise of any of its or his powers and/or authorities given by me/us hereunder.

Declaration

I/We the undersigned, declare that to the best of my/our knowledge and belief all the information given in this proposal and declaration, which I/we have read over and checked, is true and complete. I am/we are willing to accept the terms and conditions of NFU Mutual.

I/We consent to the information on this form and on any claim I/we may make being supplied to IDS Ltd so that it can be made available to other insurers. I/We also agree that, in response to any searches you may make in connection with this application or any claim, IDS Ltd may supply information it has received from other insurers about other claims I/we have made.
