Welcome to Retailer Insurance

This document provides a summary of our Retailer insurance's main features including key exclusions and obligations.

It's not personalised to your individual needs in any way and does not form part of your contract with us.

To help you make the right decision for your business, we've highlighted the essentials we think are important. However, your cover will depend on your circumstances and choices. Full details of your chosen cover will be provided in your policy documentation.

We recommend you keep this brochure with your policy documents for future reference.

You should read your policy documents carefully, to make sure the policy meets your needs and that you understand any limitations.

Retail businesses face various risks – from fire, theft and flood, to loss of income due to business interruption, and liability for injury to customers or employees. There are also risks specific to your business or sector – risks your Insurance Broker will help you identify and manage.

With our Retailer insurance policy, you can protect yourself, your employees, and your business assets. Our policy includes standard cover suited to retail trades, from butchers to florists to hairdressers.

But it's also flexible, so you can choose optional covers to meet your business needs now and in the future.

We cover you for:

1. Contents and Stock
2. Money and Malicious Attack
3. Business Interruption

4. Employers' Liability
5. Public and Product Liability

Additional covers that you can choose include:

- Goods in Transit
- Buildings
- Terrorism
- Deterioration of Stock
- Commercial Legal Expenses

Underinsurance:

Underinsurance occurs when you don't have the right level of insurance to meet the needs of your business. If it's wrong, it could impact the amount you're paid if you make a claim. You should regularly assess how much insurance you need, to take account of acquisitions or alterations. For example, changes to machinery and equipment or stock levels. If you're not sure, ask your Insurance Broker.
